There will be no provision for childcare, however, nursing babies in arms are welcome to attend with their Moms!

Workshop Facilitator: Mrs. LeeAnn Kinderwater

As one of our Association's pioneer teachers, LeeAnn soon recognized the essential value and need for personal instruction by well-trained Billings Ovulation Method teachers and has since made this her mission. She was accredited in August 1989 and has held various positions on our Board of Directors and currently holds seats on the Edmonton Archdiocesan Life Issues Committee and the national W.O.O.M.B. Canada Education Committee, and is a national and provincial past president for our Billings Organizations.

She and her husband Francis have been married for 33 years and have 6 children and 5 grandchildren. They present the BOM at family conferences, Marriage Preparation courses, R.C.I.A., C.W.L. and K of C gatherings, parish and public presentations, and regular teaching clinics. LeeAnn is also the friendly voice that you will meet on our provincial telephone line.

In August of 1993, LeeAnn trained with Sr. Hanna Klaus, MD and was accredited as a Teen Star teacher. She has since worked with many young people teaching fertility awareness.

Now acting as our Association's Director of Education and Public Relations, LeeAnn mentors teachers and trainees and facilitates training workshops throughout our prairie provinces. She is passionate about spreading the "Good News" of the Billings Ovulation Method and looks forward to working with new trainees at this upcoming workshop.
